

Hosting A Successful College Goal SC Event

If you can answer these four questions:

1 Do you have adequate space with internet, computers, printers and sufficient parking to hold the event?

2 Do you have access to volunteers who are knowledgeable in financial aid and tax preparation and can assist with questions students and families may have while filling out the Free Application for Federal Student Aid (FAFSA) form?

3 Do you have outlets to implement an extensive public information campaign to promote your event date?

4 Do you have an email address and telephone number in order to stay connected to the College Goal South Carolina effort?

...Then you have what it takes to host a successful College Goal South Carolina event!

Goals for College Goal South Carolina:

- **Increase the number of students** who attend events while simultaneously increasing the number of FAFSA filers in South Carolina.
- **Provide continuous support** to families and guardians through the entire college access process which includes the financial aid process (FAFSA filing and tax preparation and updates).
